WORK EXPERIENCE (9+ years)

2021 - 2024 Product Designer, UX UI | Freelance

4 years I've been working as a freelance designer for purpose-driven organizations, particularly collaborating with a music company committed to creating positive impact.

2018 - 2021 UX UI Designer | Casa Batlló

At this UNESCO World Heritage site I worked hand-in-hand with all departments, to develop new products and features for a million visitors website.

2016 - 2018 UX UI Designer | Esports Media Rights / Kerad Games

2 years I navigated diverse challenges, such as crafting a brand from inception for the video game industry, collaborating closely with a multidisciplinary team in an agile environment, and leading visual design efforts for mobile video games, driving user testing, and conceiving new features.

2014 - 2016 Web designer | Be Republic

2 years I promoted my creativity as a web designer in an advertising agency, working closely with the copywriter, in a fast-paced environment.
